- > *Are you looking for business partnerships with an EU country?*
- > *Do you need know-how and new technologies?*
- > *Do you wish to expand to foreign markets?*
- > *Do you want to develop your community to be fully economically sustainable?*

We can help you find a suitable partner for your businesses! We connect local businesses with Czech investors/entrepreneurs.

Private Sector Development

Czech Development Agency supports active engagement of the Czech private sector in the development of local markets.

The Agency provides financial support to Czech partners to establish new partnerships with local entrepreneurs.

The aim is to facilitate transfer of know-how, establish a joint venture, or assist with drafting of a business plan.

Czech Companies as Future Partners

Find your business partner among Czech entrepreneurs to develop your company. Your business can be improved through cooperation with the Czech partners by:

- > Facilitating expertise training by Czech experts for your company employees
- > Exchanging the know-how on products, management or financing
- > Finding a suitable investor for your project
- > Identifying new export opportunities for your products

We are working together towards achieving the Sustainable Development Goals.

What Is the Role of the Agency in Supporting your Future Partnerships?

- > The Agency encourages Czech companies to contribute to the development of the business environment, and the expertise of local partners.
- > We offer up to 90% co-financing in the preparatory and 50% in the implementation phase. These projects should be implemented by Czech companies in collaboration with local partners.
- > Typically, we support the following activities: feasibility studies; expertise training (transfer of know-how); capacity building; drafting of business plans; setting up of joint ventures; longer-term B2B projects (business partnerships).

Who is Eligible?

- > Czech companies who apply for a grant at the Czech Development Agency. We also connect local businesses with Czech investors/entrepreneurs by providing necessary contacts. We are ready to liaison with Czech business to find your counterpart.

Societal Value	Shared Value	Business Value
Activities and investments that address societal and environmental challenges	Activities and investments that enhance economic competitiveness and simultaneously address societal and environmental challenges	Activities and investments that enhance economic competitiveness

More information available at www.CzechAid.cz. We are ready to answer your inquiries by e-mail, telephone or in person.

Czech Development Agency

Czech Development Agency is a state agency under the authority of the Ministry of Foreign Affairs of the Czech Republic. It is an implementing body of the Czech Development Cooperation. The Agency is primarily focused on reducing poverty, increasing quality of life and supporting global sustainable development. Its main tasks include designing, financing and monitoring of development projects. At the same time it provides necessary support during the implementation phase of the projects. Currently, it manages projects in 12 partner countries. The annual budget of the Czech Development Agency is approximately 180 million EUR.
