

Czech Development Agency

BOSNIA AND HERZEGOVINA

The Czech Development Agency supports the production of traditional Livno cheese in Bosnia and Herzegovina through one of our projects.

GEORGIA

We installed photovoltaic solar panels to generate electricity in villages of the remote region of Tusheti in Georgia and developed a comprehensive tourist-route infrastructure system.

MOLDOVA

Among other things, CZDA support in the Republic of Moldova focuses on the elderly and other vulnerable people by setting up socio-medical centres offering home care services.

ETHIOPIA

In Ethiopia, we provide access to supplies of quality drinking water and teach the local inhabitants how to sustainably manage water resources.

ZAMBIA

In rural areas of Zambia, we support the productivity of small-scale farmers by ensuring the stable production of feed for their dairy cattle.

CAMBODIA

The Czech Development Agency received the Royal Order of Sahametrei (a high-level Cambodian state award) for its support of visually impaired people in Cambodia.

SDGS AWARDS

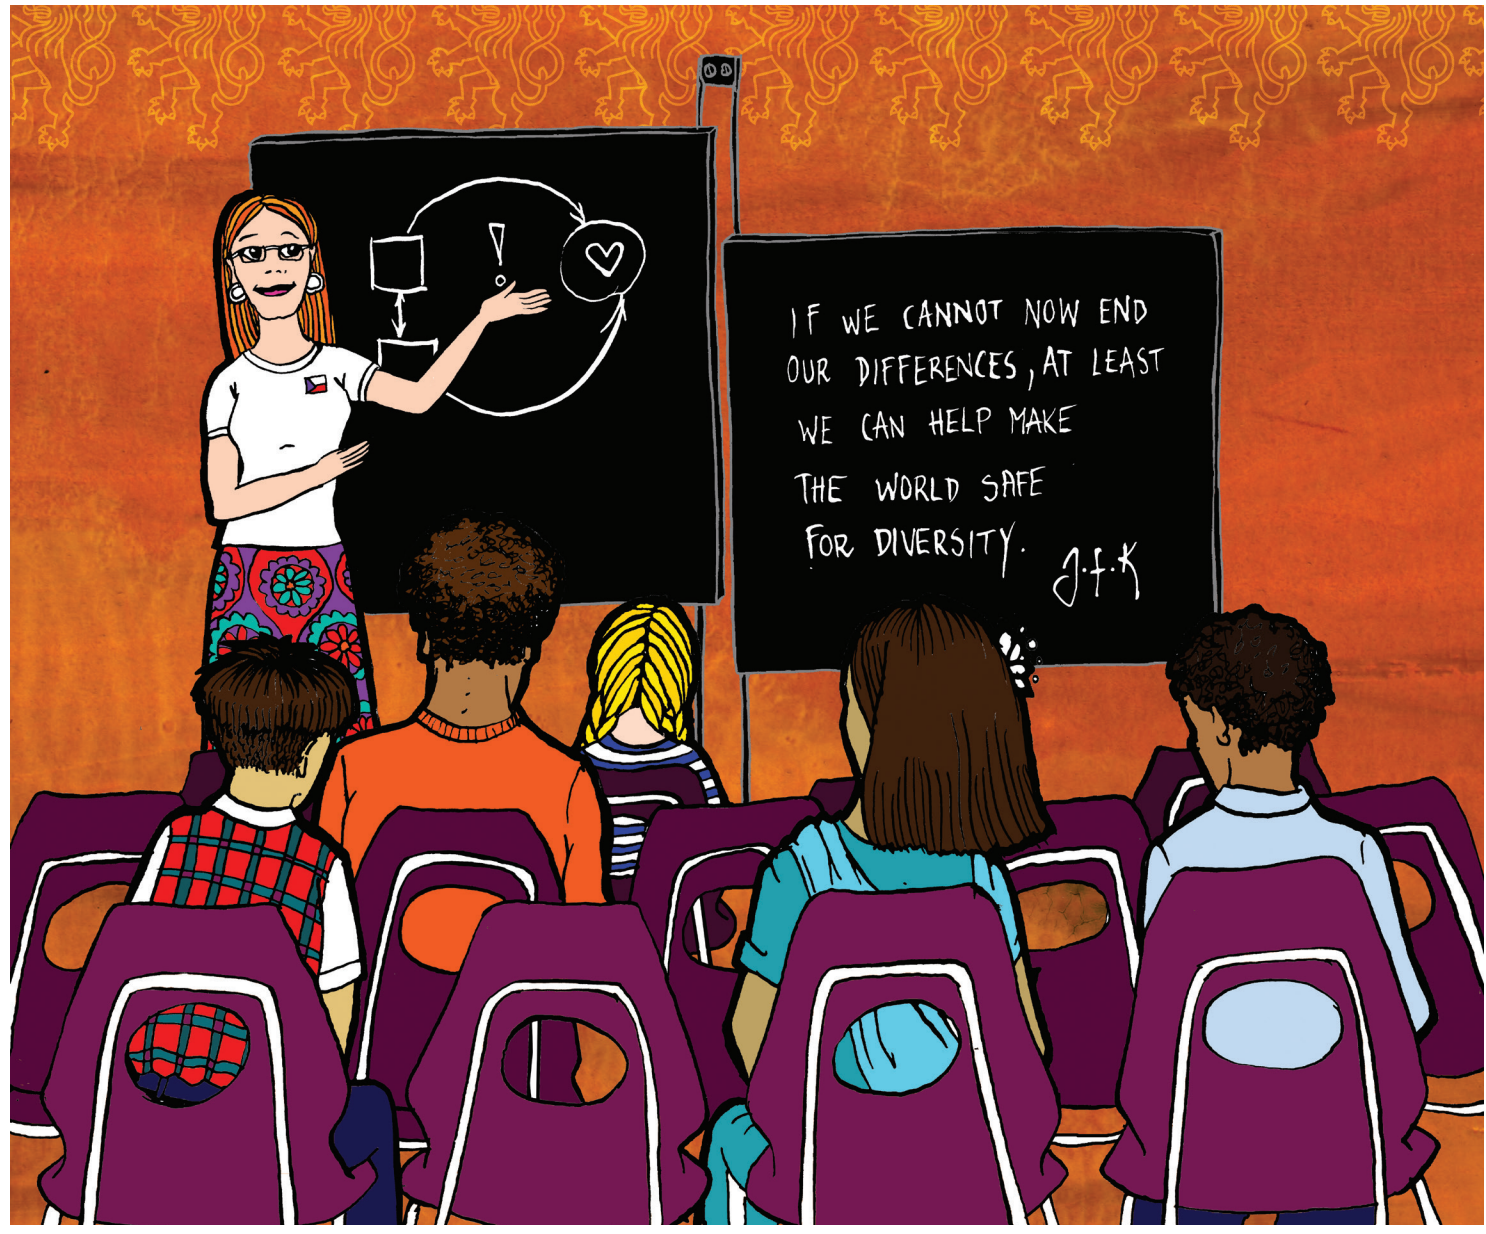

As a part of the SDGs Awards2018, the Czech Development Agency awarded the NGO SIRIRI for its project Learning Through Play in the Central African Republic.

B2B PROGRAMME

One of the projects we have supported through the B2B Programme is a scheme to build a production line for agricultural feeds in Cameroon.

PLACEMENT OF CZECH TEACHERS TO DEVELOPING COUNTRIES

The aim of the Czech University Teachers Assignment to Developing Countries programme is to improve the education system in developing countries by involving Czech university lecturers.

THE DEVELOPMENT COOPERATION PROGRAMME FOR THE PRIVATE SECTOR

Through the B2B Programme (the Development Cooperation Programme for the Private Sector), CZDA supported a total of 66 Czech companies in 2018.

INTERNATIONAL COOPERATION

CZDA is a member of the Practitioners' Network for European Development Cooperation – a platform focused on experience-sharing and coordination between European development agencies.

TEMPORARY EXPERT ASSIGNMENT PROGRAMME

Since 2015 one of the Czech Development Agency's tools has been the Temporary Expert Assignment programme, based on the transfer of our transformational experience.
